# LUMINARY AWARD RECOGNISING LEADERSHIP AND CONTRIBUTION

## OBJECTIVES OF THE AWARD

To recognise an Engineering New Zealand Auckland Branch Member, of any grade, who has attained eminence amongst their peers as a leader and an inspiration to others, because of their selfless contribution to the promotion of Engineering New Zealand and the engineering profession, in the Auckland region.

This as an annual award to recognise a single member's contribution to the region in the previous calendar year, with the inaugural presentation taking place at the Auckland Branch awards evening on 23 May 2024.

## CRITERIA

The Engineering New Zealand Auckland LUMINARY AWARD, a nominee will be recognised by their peers as a leader in relation to the following award criteria:

1. The nominee has actively and positively promoted Engineering New Zealand and the engineering profession within the Auckland Region, to members of the public and amongst their peers.
2. The nominee has made a distinguished contribution to the development and growth of Engineering New Zealand within the Auckland Region in the previous calendar year.
3. The nominee is seen to embody the principles of the Engineering New Zealand Code of Ethics in their workplace.

# ELIGIBILITY

Nominees must meet the following:

1. Be a current member of Engineering New Zealand, at any level of membership. There is no minimum period of membership or service to Engineering New Zealand required.
2. Reside in the Auckland Region
3. Be nominated by at least two of their peers (Engineering New Zealand Members in the Auckland region)
4. Not have previously received the ENGINEERING NEW ZEALAND AUCKLAND LUMINARY AWARD.

# ENTRIES

Entries for the Luminary Award.
